The Tenute Venturini Foschi offer three superior white wines. A spectacular density and an involving softness sensorially qualify the **Fonio Chardonnay 2020** as a great wine. What clarity of fruit and flower reveals the **Gemma Malvasia 2021** of purest enology and olfactory integrity. Admirable overall pleasantness of **Gemma Gentile Malvasia 2021**: A dense and viscous, savory, harmonious grapiness so pulpy and alive wrapped in its aromatic, crystalline robe. Congratulations.
